Objective

The objective of this seminar is to offer training on the applicability of the EU legislative instruments in civil cases. The different Regulations simplifying the cross-border enforcement of civil claims will be presented and dealt with in a practice-oriented way at an introductory level, which makes it suitable for participants who have no prior or little experience in this field.

Methodology

This training event is conceived as a workshop based on solving coherent case studies, thus ensuring the active involvement of participants and a continuous exchange of knowledge and best practice. The training materials have been developed by renowned EU experts and aim to aid court staff in actively applying the EU acquis in the area of Civil Justice.

Who should attend?

Court staff from all EU Member States who need to apply EU law procedures to fulfil judicial or procedural functions.
